

AUTOMATIC CREDIT CARD PAYMENT AUTHORIZATION

The Automatic Credit Card Payment Program is designed to automatically pay your power bill each month using your credit card. No more writing checks, no more worrying about whether or not you remembered to pay your bill. Your credit card is charged on the 21st of each month (or the next business day if the 21st is not a normal business day). You will still receive a copy of your bill for your records. You have the choice of using VISA, MasterCard, or Discover cards for this program. If you would like to enroll in this program, please complete the information requested below and mail this completed form to San Miguel Power Assn., PO Box 817, Nucla, CO 81424, or fax the form to 970-864-7257. Receipt of a completed form authorizes San Miguel Power Assn. to charge the amount of your power bill each month to your credit card. This agreement can be terminated at any time by either party by written notice. In the event that the charges are denied by your credit card company, you will be notified and requested to pay by other means. If the charges are denied, late fees and/or penalty fees may be assessed.
