---	---	--

San Miguel Power Association has established a rebate for the purchase of a new or used plug-in electric vehicle, plug-in hybrid electric vehicle and neighborhood electric vehicle. You must receive electric service from San Miguel Power Association to qualify for rebates. Requests must be made within 180 days of purchase. Allow 8-12 weeks for rebate. Submission of application does not guarantee rebate. All information must be included to process the application. San Miguel Power Association reserves the right for visual verification of the purchased vehicle. Incomplete applications will be returned.

Mail, email or drop off application to : rebates@smpa.com
