## LED Lighting Rebate Information

Rebate Type	Quantity	Total Cost	Estimated Rebate

**Include purchase receipts verifying purchase within 180 days!!!** **Total**

You now have the option to donate your rebate to a worthwhile energy related program by checking a box below. By checking a box you agree to donate your whole rebate amount to the organization identified in one of the three categories if you decline this option simply do not mark a box below and a check will be mailed directly to you. (for more details see our website)

**Local** - The SMPA Green Fund is used to supplement rebates locally for renewable energy and energy efficiency projects.

**National** - Grid Alternatives is an SMPA partner focused on bring renewable energy to low-income communities that need the savings and jobs the most.

**Global** - We Care Solar provides solar energy systems to health facilities in areas without reliable electricity and power medical lighting, mobile communication and essential medical devices.

Only current San Miguel Power Association members qualify for rebates. Please allow 12 weeks for complete rebate processing. An application submission does not guarantee a rebate. A copy of a receipt must be included verifying purchase within 180 days. Application must be complete and receipt verifying purchase must be included. All applications for 2019 rebates must be submitted by December 31st to be eligible for posted incentive amount. Incomplete applications may be denied.
